Mr. John Allan Chalk  
3802 Risdorph Street  
Flint, Michigan

Dear Brother Chalk:

Since our telephone conversation, I had one of the local members to contact the Automobile Club concerning the highway from here to Prince George. I do not believe it would be advisable for you to travel that route. After leaving Edmonton it is just a gravel road. Then from Dawson Creek to Prince George is about 265 miles. So I do not believe it advisable for you to travel this extra distance over such roads.

I believe I would continue on the route that you have chosen and cross into British Columbia at Oroville, Washington.

Brother Mann has not contacted me since I talked to him. I am sending him a letter to inform him of your Flint address. I am hoping that he has sent you some information that will reach you before leaving Henderson.

If Brother <sup>Mann</sup> should not contact you by the time you are ready to leave Flint and you want to come to Calgary and enter the country as a visitor, feel free to do so. My home and its accommodations are open to you. Then when you were ready to go on to Prince George you could enter the province of B. C. from southern Alberta (Highway #3).

Let me hear from you at your convenience.

Yours in Christian service,
